Dear Parents & Community

As we come to the end of this year, it is with great pride that I can look back at the many achievements of the children. They have worked so hard. The many values that have been on display throughout the year have particularly come to the fore as we end the term – **respect** when interacting with members of the school and wider community or when tackling a problem between friends; **honesty** towards all and **caring** for each other – these values combined strengthen your children’s character and capacity to make the most of every aspect of school life.

I would like to take this opportunity to thank all staff for their hard work this year. It has been a year of changes and they have embraced this with goodwill and continued to provide the best education for the children. I would also like to thank all parents and carers for their support this year. A great deal of what we do in school cannot be achieved without you and your co-operation and backing. Many thanks and we look forward to working more closely with you next year.

Finally, I would like to wish all children who are leaving us at the end of this year all the very best on their journey. I know that they have all had a great start here at Bellevue and know that they will go on to achieve great things in the future.

Have a wonderful summer holiday and we look forward to seeing you all again on Tuesday 29 January 2019.

Regards

Marie-Louise, Mary & Birgit
