Dear Parents & Community

Greetings. It is spring!! I am certainly looking forward to some warmer days ! I trust everyone enjoyed the extended weekend.

We were all here of course on the Tuesday for training and development. We continued our exploration of the environment as the third teacher. The day was led by an Occupational Therapist, Emma Chapman, who worked with us on the impact of the sensory environment and how that can support or otherwise the needs of our students. The day entailed both looking at the theory as well as working in teams to see what changes we can make to improve the learning experience of all. Both teachers and support staff attended which ensures that we are all on the same page.

Thanks to everyone who attended our Open Day. As another first event for me, I was so impressed by the work of our teachers and students leading up to the day. Our advertising campaign is at work as we had a number of prospective parents attend to see what our school offers. Keep sharing the positives about our school so that we can keep growing into the future!

Currently I am looking at next year's class structures. Early term four we will send out information regarding the possible structures . Please be aware that the number of classes we can offer is determined by our funding.

Until next newsletter,

Marie-Louise, Mary & Birgit

SAPSASA ATHLETICS 2018

Southern Heights SAPSASA athletics at SANTOS STADIUM

On Wednesday 22 August, 15 enthusiastic Bellevue Heights athletes did an excellent job of representing our school at the **Southern Heights SAPSASA athletics carnival at SANTOS stadium.**

Our group of students participated well and maintained the highest level of sportsmanship as well as a positive attitude throughout the day. At all times the Bellevue Heights students displayed respect, manners and humility in competing, which is to be commended. I was extremely proud of our students and the way they represented our school community. Well done, everyone!

A **huge thank you to John Kidwell**, who volunteered his time to be a marshal for the boys' discus event. We appreciate the support of parents at these events, as without their support they cannot take place. Thank you John! Also thanks to **Paul Hills**, who accompanied me on the day and supported our group with supervision, support and marshalling duties. We enjoyed the bright sunny weather and the chance to perform at a stadium with world class facilities. Also thank you to Mrs Adams who took time out of her busy schedule to come along and support our students.

Here are the results for our students from the carnival.
