

Bellevue Heights Primary School

Reception — Year 7 Mainstream Classes

Why choose Bellevue Heights Primary School for your family?

We are a welcoming, global community of learners who pride ourselves in catering for the learning and social development of all students. The diverse nature of the school fosters understanding and inquiry as we learn about caring for the world and the people who live in it.

What the parents, students and staff say about the school

parents

- The level of student support for learning is outstanding. Teachers and administrators have been very helpful to address any issues or concerns that I have raised over the years.
- I wish that all kids could experience the positive social environment that our kids have at Bellevue Heights. The multicultural classes, the dedicated teachers, and the visionary leaders truly make Bellevue Heights an extraordinary school. The school has made the most of its truest assets, the people.*

students

- The school always puts the students first. The atmosphere makes you want to come to school.
- There are great choices of sports like netball, soccer, cricket, basketball and more. People are friendly and respect your thoughts.

staff

- As a teacher I have been incredibly fortunate to be part of such a fantastic school community, where diversity is embraced and learning is fostered through a whole school approach.*

Learning and growing together to enrich the world
